SECLUDED IN 50 ACRES OF NATURAL RAINFOREST

## Accommodation Options

### Rainforest Huts:

Capturing the cool, green light of the rainforest, accommodation is in secluded forest huts nestled in the rainforest canopy. A minimalist design maximises the sights, sounds and smells of the rainforest whilst giving some personal space to those creatures you may prefer not to sleep with.

Rainforest huts come with alfresco bathrooms which include outdoor toilet, cold water shower and basin for the full rainforest experience!

### Deluxe Cabins:

Of solid wooden construction, with ample, screened glass windows, the canopy cabins offer maximum protection from the elements, while still offering a close connection to the sights and sounds of the forest. Larger than the rainforest huts, these cabins are stylishly appointed with polished wooden floors, handmade natural timber furniture and spectacular glass-walled bathrooms looking out high in the trees
